# VITAL VOICES OVERVIEW

*Vital Voices invests in women leaders taking on the world's greatest challenges and accelerates collective action towards an equitable and sustainable world.*

Vital Voices Global Partnership invests in women leaders who are solving the world's greatest challenges to create a more equitable and sustainable future. Composed of “venture catalysts,” Vital Voices identifies those with a daring vision for change and partnering with them to make that vision a reality, scaling and accelerating impact through long-term investments that aim to expand the skills, connections, capacity, and visibility of women leaders. Now celebrating more than 25 years since its founding, Vital Voices has directly invested in more than 20,000 changemakers across 184 countries and territories since its inception in 1997.

Vital Voices fellows and awardees work in the areas of leadership; climate justice; economic empowerment; women, peace, and security; human rights and gender-based violence; and political advocacy.
